

BACKGROUND CHECK SERVICES & PRICING

Your first line of defense against sexual offenders is to keep them out of your church! Deciding who has access to those you serve is one of the most serious decisions you make. Insurance Board provides discounted background screening services through Praesidium to help ensure your employees and volunteers haven't been convicted of criminal offenses. Industry best practices recommend that organizations check the backgrounds of any employee or volunteer (including parents) who will work closely with children, teens, and vulnerable adults on a regular basis.
