

Wildfire Prevention & Safety

Supplies And Training To Help Your Ministry Prevent And Respond To Wildfire

**HUMANS ARE THE CAUSE OF 4 OUT OF 5 WILDFIRES
WITH IGNITIONS COMMONLY CAUSED BY CAMPFIRES,
CIGARETTES AND VEHICLE SPARKS.**

WILDFIRE WISDOM

- » Make an emergency plan for your ministry.
- » Remove fire hazards from your property.
- » Ensure important documents are stored safely.
- » If required to evacuate, do so immediately.

Once a wildfire starts, it could take hours/days/weeks before it ends, causing millions of dollars of destruction along the way. Make sure to gather emergency supplies, and sign up for emergency alerts from local government agencies.
